### Vega Clara Mario 2020, D.O. Rivera Del Duero

*This is a quite swarthy, rich and full bodied blend of tempranillo and cabernet - the latter bringing some rigidity into the otherwise soft, open knit styling. It also brings cassis to the nose along with deep peony florals, fresh herbs and well handled oak. Quite impressive, full-on and firm in the end, with excellent length. I would age this three years; could live beyond 2030. Tasted April 2024*
