

90 Points

Vega Clara Mario 2020, D.O. Rivera Del Duero

This exuberant barrel-aged tempranillo and cabernet sauvignon blend is velvety and voluminous with grippy tannins and excellent concentration. Exhibits an unexpected, rather edgy youthfulness despite having been aged for 16 months in new oak, but then again, the spice is very well integrated and doesn't feature prominently on the palate or finish. A touch of bitterness and warmth is noted on the finish of very good length. Best decanted or held in bottle for another 2-4 years. Tasted April 2024.

Value Rating: ★★☆☆☆
